NEWS RELEASE

FOR IMMEDIATE RELEASE

Date: November 4, 2022
Contact: Cathy Darling Allen, County Clerk/Registrar of Voters

As the election approaches in four days, we have some reminders for voters. The Election Department (1643 Market Street in downtown Redding) is open tomorrow, Saturday, November 5th from 9a-3p for all election services, and clerk services as well.

Voters who have voted ballots to return are encouraged to hand deliver them today to the Elections Department or to an official drop box. We do not recommend mail return this close to the election. Polling places will be available for in person voting or ballot drop off on Tuesday, November 8th from 7a to 8p. Locations are posted on our web site at ShastaVotes.org (links below) and are also printed on the back cover of each voter's voter information guide.

Voters are reminded that this ballot is doubled sided. Voters who need to update or register for the first time can do that either in the office or at their assigned polling place on Election Day.

It is too late to mail ballots to voters, so if a voter needs a replacement ballot, they will need to contact the office or come in person.

Voters who plan to vote in person at a polling place on Tuesday, November 8th are encouraged to bring their ballot with them to the precinct; this will ensure a smooth voting experience.
